

## Learn-a-Skill Series 2016

LaS is another initiatives by DTES to serve as a platform for Teachers and Education Workshop Instructors to learn innovative practical skills. The main objective is to enrich the D&T community which in turn would benefit D&T pupils. Details of the LaS sessions are as follows:

Date	Zone	Venue	Presenter	Title	Brief Description
10 Feb	East	Pasir Ris Crest Sec Sch	Ismail Ibrahim Ramli Sinin	Silver Soldering and Wooden Block Guides for Joining Acrylic Pieces at 90°	There are two parts to this LaS session: Revisiting silver soldering and making corner blocks for jointing acrylic pieces at 90°. Participants will work in two groups for hands-on on the two processes.
24 Feb	West	West Spring Sec Sch	Johar Husin	Handy Tools for Bending Acrylic	Come learn how to bend acrylic without the use of strip heater, former or jig.
23 Mar	South	Bishan Park Sec Sch	Siti Saripah Sanusi Abas Awi	Acrylic Paint as Finishing for Wood	Participants will learn how to use acrylic paint as a finishing for wood products.
13 Apr	East	Bedok View Sec Sch	Shamsulbahri Othman	Maintenance of Milling Machine	There is safety implication if tools, equipment and machines are not maintained and serviced regularly. In this LaS session, participants will learn the appropriate way to maintain and service the milling machine in-house.
11 May	North	Sembawang Sec Sch	Mohamad Ali Yahya Johan Abdullah Selva Ra	Bending Wood Safely	Participants will have a hands-on session to bend wood safely in the D&T Studio.
25 May	South	Queenstown Sec Sch	Ong Ah Beng	Sharpening Tools	There is no better experience than working with truly sharp tools and take pride of better quality work. Most important of all, all safety issues related to blunt tools will be eliminated. Participants will learn how to sharpen various tools using appropriate sharpening tools.
22 Jun	West	Fuhua Sec Sch	Jamaluddin Ali Nor Huzaimi Hussain	Jointing Aluminium using Propane Torch	Participants will learn a way to joint aluminium pieces using propane torch.

To attend, please register with the respective zonal co-ordinators through email. They are:

Zone	Name of Zonal Co-ordinator	Email Address
North	Mr Chahat Bin Yussof	chahat_yussof@moe.edu.sg
East	Mr Azman Bin Ahmad	azman_ahmad@moe.edu.sg
South	Mr Iskandar Yusoff Abdullah	Iskandar_yusoff_abdullah@moe.edu.sg
West	Mr Ng Wee Choon	ng_wee_choon@moe.edu.sg

In your email, please state clearly the following:

- date of LaS session that you would like to register for
- your name as in NRIC
- NRIC No (for security purpose)
- school
- mobile phone number
- DTES membership status

You would need to be a DTES member to attend LaS as it is organised by DTES. If you are yet a member, please complete the subscription form to be downloaded at <http://www.dtes.org.sg/>. Hand the completed form and subscription fee of \$24 for a 2-year term to the Zonal Co-ordinator on the day of the session.

Please note that the number of participants is capped at 15 per session. To avoid disappointment, you are encouraged to sign up soonest.
